

What's It All About?

Why have an Alyth newsletter? What can it provide that you can't get from other papers? Read on!

We, of the Crooked Dreele and Concealed Hinge Society, believe that there is room for a monthly newsletter or paper which lets the people of Alyth know what is going on in the town. It would also give local people the opportunity to express their views and opinions in a way that other papers don't.

To make this paper work, we need YOU to provide us with the news, views and articles which are important to you, the people of Alyth.

If you would like to contribute a one-off article or would like to be otherwise involved - welcome! Articles and reports should be submitted to any of the people named on the front page by the 20th day of the month. The Alyth "....." will be published on the 1st Monday of each month.

WHAT DO YOU THINK?

What would you like to see featured in the Alyth "....."?

We have suggested some ideas and topics, but the paper is for YOU and we welcome yours.

THE ALYTH "....." NEEDS A NAME!

This is your opportunity to give this paper a name. Can you suggest a more catchy title which includes the name of Alyth?

Youth Matters!

Of course it does!!!

You claim that no-one is interested and that no-one listens to your views.....

Here is YOUR chance to tell people what you do, what you think and what you want!

We cannot give blow by blow accounts nor weekly results, but we hope to provide monthly updates on how local teams and/or individuals are performing. Please let us know of your successes and progress.

Gardeners' Forum

Spring has arrived and many thoughts are turning to the garden.
